LT DANCE NEWSLETTER

NOVEMBER 2022

We can't believe it's November already! So much has been going on in our dance world that months just keep on flying by!

We've sent out one issue of this newsletter last year and then due to lack of time and personnel had to step away from it for a while, but now we're well and truly back! Look out on the first days of every month for news, updates on upcoming events, interesting blog posts, and exclusive discounts and offers—we'll do our very best to make this newsletter interesting for you!

Enjoy this issue and keep dancing peeps!
XOXO

BEAT KUNTZI & BARBARA KAUFMANN-KREBS (Switzerland) – 3rd place in Senior 1 and making the third round of the Adult Open that is in itself an amazing achievement! Well done!

GREGOR REMIH & LANA HRAŠOVEC (Slovenia) – our youngest couple at this competition, dancing after a long break from events. Finishing in the final of Junior 1 B and making the quarterfinal round of the very strong u16 open events. ✓
